PROFILE

I am seeking challenging roles in the fields of graphic design, UI/UX design, and video editing. I am passionate about developing visually engaging solutions that effectively communicate client messages and meet business objectives.

EXPERIENCE

IT PERSONNEL

P.L. Sebastian Construction, Inc.

2020 - Present

- I provided technical support to end users, managed servers and network infrastructure, and implemented IT security solutions.
- Resolved technical issues, and assisted with product installations and configurations.

TECHNICAL SUPPORT

Apollo Global Inc.

2018-2020

- 1 year and a half of experience as a Desktop Support Technician where I provided in-person support to end users, resolved hardware and software issues, and assisted with the deployment of new equipment.

IT SPECIALIST

Lead Solutions Inc.

2016 (6 months only)

- I tested and debugged software systems, identified and reported bugs, and collaborated with development teams to improve software quality.
